AMENDMENT TO STATEMENT OF WORK

Please amend the original statement of work for the Army Creek Landfill (Techlaw Inc., EPA Contract No. 84-147, June 12, 1984) to include the following:

1. Interview knowledgeable persons in an attempt to identify other potential responsible parties. This may include former landfill, generator and/or transporter employees, state and local government personnel, and citizens in the proximity of the landfill.
2. Conduct a deed and title search of the Army Creek Landfill to include a title abstract and certified copies of deeds.
3. Review of all the 104(e) responses received by the EPA to identify suspected culpable responsible parties.
4. Develop a report which contains the following:
 - a. The names and addresses of suspected culpable responsible parties. This may include owners/operators, generators, and transporters.
 - b. The types and quantities of hazardous substances there were received for disposal, or transported to, or disposed of at the Army Creek Landfill.
 - c. Financial information on suspected culpable responsible parties.

Please contact Susan Belski, Environmental Scientist, CERCLA Removal Enforcement, at 215-597-6680.
